DOLLAR DAYS COMING TO CAMPBELL

Feit Heads Red Cross Drive

\$4000 Goal Set For 1951 Campaign; March 1 To Be Opening Date

Joseph Feit of 110 N. Carlyn Avenue has been named 1951 drive manager for the Campbell Red Cross, Chapter Chairman Joaquin J. Payne revealed today. Also announced was the quota, \$4,000, for the fund campaign which will be launched March 1.

Feit explained that the quota this year is a substantial increase over the 1950 quota of \$3,000, attributable to increase in Red Cross work due to the war. Both he and Payne pointed out that administration costs in all departments, particularly that of the Home Service group, have been heavily increased. The Red Cross Home Service group assumes responsibility for servicemen's families left with little or no funds when the husband is called to active duty. Generally, said Payne, there is a lapse of about three months from the time the wage earner leaves for the service and the time he begins to receive his pay. To tide his family over that three months, the Red Cross Home Service steps in when needed.

Also stepped up is the Red Cross blood program which is currently pushing its campaign to obtain blood donations from civilians for aid to thousands of casualties in the Korean conflict. Payne and Feit met Wednesday afternoon with Alister Anderson, San Jose chapter manager, and Mrs. McNamara, from the Red Cross office in San Francisco, to review the current program and lay plans for the coming drive.

SUCCESS PREDICTED
Although this year's fund quota for Campbell has been increased by \$1,000, Feit said he anticipates little difficulty in obtaining subscriptions to meet the entire goal. In view of the fine record of Campbell in previous years, and because of the heightened interest in Red Cross work for the servicemen, I am sure that we can count on the continued support of this community, he stated.

"All those residents who gave so willingly of their time last year may expect a call from our committee very shortly," he said. "We are just getting the drive organized and preparing a drive map for the area."

Feit, who helped with the Red Cross fund drive after coming here from Michigan three and a half years ago, has had valuable experience in fund campaigns in Michigan. The retired superintendent of a textile mill in Grand Rapids, Michigan, has participated in many Red Cross, YMCA and other campaigns in the mid-western city where he lived for 25 years.

PEACE CONFERENCE
A veteran of World War I, Feit was associated with the peace conference in Paris after that war.

Spinach Is The Fashion; Sturdy Males Urged To Enroll Now In Whisker Event

Spinach growing is being encouraged in Campbell. Spinach of a hirsute quality, that is. Men of the community are discarding their razors or undergoing special shave jobs at the local tonsorial establishments, and it's all for Old Settlers' Day on February 22.

Incidentally, the males who lift their razors with a determined hand these days may feel a strong hand on the shoulder in the not too distant future, for Justice of the Peace Martin S. Walsh and his Kiwanis deputies are preparing to enforce the laws of the kangaroo court on all n'er do well beard cultivators. Nuf said.

Junior Wirth, chairman of the Old Settlers' Day Whiskerino contest, announced that three local worthies already have put their hand and seal to papers enrolling them in the contest. The future bushmen, to date, are Richard Bebeau, Richard Feit and Frank Livingston Jr.

Opening day for the Whiskerino sign-up was Monday, and the contestants were supposed to sign, clean shaven; however, future signers will be allowed a day's growth of beard. Wirth opined, to enable them to keep up with the early birds.

Would-be contestants may call him at 3195 for information, or

then worked with the American Relief Association under Herbert C. Hoover. In 1919-20 he was assistant chairman of the American Relief Administration's mission to Russia. He is a native of Chicago and began his career as a chemist.

Mr. and Mrs. Feit have two children, Patricia, former San Jose State College student now a secretary in San Jose, and Richard, member of the junior class at Campbell High School, and a winner in last year's whiskerino contest for Old Settlers' Day.

West Siders Plan Discussion Of Bond Issue For Sewer

West Side Planning Committee will discuss plans for inclusion of Bradley Manor in a sanitary sewer system when it meets January 26 in Moorpark School.

Proposal calls for circulating a petition calling for a bond issue to finance inclusion of Bradley Manor and the general area bounded by Bascom, Moorpark and Saratoga Avenues and the northern portion of District Four.

Some 400 homes are included in the area according to chairman John S. Linn. If the bond issue were approved, householders would pay on an assessment basis.

Steindorf Retained As Dist. Director
Frank L. Steindorf of Campbell was retained as a director of the Santa Clara Valley Water Conservation District this week without formality of an election. He and three other directors were unopposed for re-election.

Steindorf represents District One.

School Superintendents Have Session Here
Santa Clara County District Superintendents, an informal group, discussed "Education for Disaster" at a meeting January 10 at administrative offices of Campbell Union School District.

Other topics taken up included common problems in school finance and legislation.

Thirteen of the 14 Campbell Rotarians who donated blood Monday gathered to give the photographer a hearty smile afterwards. Missing from the picture above is Mario Sala. Those shown are, left to right, Joaquin J. Payne, Clifford T. Cassidy, Dr. Robert Jasmine, Emerson Arends, Robert B. Hicks, Cel Gerevas, Homer Hyde, Tony Raffanti, Forrest Reese, reclining in the plaid shirt; L. W. Harmon, Fred Jones Jr., William Maderis and Dobie Jeffers, just completing his contribution.

Cites Problems At SC County Jail

County Adult Probation Officer Max Watson asked advice and aid of Campbell Kiwanians in rectifying the serious county jail situation when he spoke before the local club Tuesday noon.

Speaking on "Adult Probation" Watson explained bad situations existing at the county jail and conditions under which the inmates must live. The jail, he said, was built in the days of the Spanish Dons, and the old structure is improperly furnished, lacking the proper facilities for care and segregation of the prisoners.

Another trouble spot is the County Jail Farm where there is insufficient space and facilities are sub-standard. Average population there, he told Kiwanians, is 60 to 70 men.

Watson stressed the important problem of housing men there who are serving life terms on the installment plan — the chronic repeaters, generally alcoholics, who return again and again for brief sentences. Most of the chronic drunks prefer the jail farm where they are well fed and sobered up only to be released again for another binge.

In concluding, the probation officer stressed need for action by the county and for support of improvement moves by the citizens.

Watson also told the club that he and a small group of Campbell men were forerunners of the present Santa Clara Valley Water Conservation District. The group formed the Water Conservation Association and built the first earth filled dam in the county near Almaden.

The speaker lives on his ranch near Agnew where he raises burrs for combing wool and fur. He is the only rancher of this type in the county, and his product is classified as machinery instead of agriculture.

Eugene W. Barnes was the chairman for the day.

Inspiring Talk Given Moreland PTA Meeting

After a potluck supper held at Campbell High School's cafeteria Wednesday evening, Moreland Parent-Teacher Association heard an inspiring talk by the Rev. Nathaniel Lauriat of San Jose on "Making Spiritual Values Available to Our Children."

During the business meeting which followed, conducted by unit President Mrs. K. L. Bitzer, members decided that the PTA, together with the Men's Club and school faculty, will commemorate the school's centennial year by preparing a float and marching units for the Old Settlers' Day Parade. Moreland is the oldest rural school in continuous operation in the state. Mrs. Lester Breeding was chosen chairman of the parade committee.

After a talk by civil defense chairman Mrs. F. M. Viera, 43 members signed up for first aid classes to be held at the school.

Members voted to hold a salvage drive during the week of January 22-29.

A pyramid card party was planned, with Mrs. Bitzer as hostess for the first group.

Mrs. Frank Gilley, magazine chairman, reported that subscriptions to the California Parent Teacher magazine have gone well over the quota set by the California Congress of Parents and Teachers.

Several members volunteered to aid the San Tomas PTA unit in supplying transportation for a child in the area to Chandler Tripp school for treatment. His progress has been so heartening that an additional day has been added to his schedule there.

Members expressed thorough enjoyment of the stimulating meeting. Another is planned for February 21.

INTRODUCING BETTY BUDGET

There's a newcomer to this community that you will all want to meet. She's Betty Budget, the invisible home - counsellor and shopping expert. She will appear from time to time to give you and all residents of this area timely hints on money-saving ideas. She's a thrifty, budget-wise woman—just like yourself. She'll give you advice and tell you of places to go where prices are the lowest and service is the best. Watch for Betty Budget — it will be fun, and you'll save many steps — and many, many dollars!

Unanimous endorsement of the whiteway proposal for Campbell Avenue and Winchester Road was received by the committee at the general meeting of the Campbell Chamber of Commerce Wednesday night in the library building.

Laurance J. Hill, chairman of the whiteway committee, indicated he will submit plans to the County Board of Supervisors for approval. The program would provide welcome increase in lighting on Campbell Avenue and Winchester Road in the business district. Installation will cost approximately \$267.71 per month, at a rate of \$1.952 per \$100 of assessed valuation.

Those assisting Hill on the committee are Bill Means, Robert Hicks and Forrest Reese.

Milton Nelson's report on the February 1 through 3, first annual dollar days was accepted.

STREET SWEEPER
Hill reported that the street sweeper program for the business district will start February 1. The sweeper will clean all curbed streets in the area.

Reese was named chairman of the dinner to precede the February 28 general meeting. The meeting was postponed from February 21 due to the Old Settlers' Day program. Reese said the dinner will be held at Martin's on San Jose-Los Gatos Road at Campbell Avenue. Reservations should be phoned to him at Campbell 3442 or 3303.

Also planned is a dinner, probably in the spring, to which the five service clubs in the Campbell school district will be invited. These include Campbell Rotary and Kiwanis, Business and Professional Women's Club, Burbank Lions and Rotary. Hill is chairman of arrangements. Purpose of the dinner is to explain functions of the chamber and develop greater interest in community affairs and improvement.

A letter was received from Mel Duffey of the California Automobile Association, reporting that his group and the state will work together on arrangements for 27 directional signs to be erected in this area.

Oil Company Given Plan Adjustment For Pump Island

Richfield Oil Company was granted an adjustment to permit it to construct a gasoline pump island within the official plan line on the southwest corner of Winchester Road and Rincon Avenue, following hearing Wednesday by the Santa Clara County Planning Commission.

Commissioners approved the adjustment on condition the company will remove the pumps at its own expense when the road is widened or if the service station changes ownership.

OFFICIAL PLAN LINE
First public hearing was conducted on proposed establishment of official plan lines on Hamilton Avenue between Santa Clara-Los Gatos Road and the city limits of San Jose. Second hearing is set for February 21.

Purpose of the proposal is to establish a 25-foot building setback from the plan line; thus, when the highway is widened, taxpayers would pay only cost of land acquisition rather than cost of buildings on the line as well. In connection with this, the State Division of Highways has indicated it intends to erect traffic lights at the Hamilton Avenue-San Jose-Los Gatos Road intersection within the near future.

Attorney N. Stoner Moves His Offices

Attorney Norman A. Stoner of Campbell has announced removal of his offices from 131 E. Campbell Avenue to 11 S. Fourth Street, Campbell. The attorney will share the location with V. B. Royce accounting service.

annual Campbell Dollar Days is inaugurated by the merchants' committee of the Campbell Chamber of Commerce.

Committee Chairman Milton Nelson, in outlining the dollar days

14 ROTARIANS GIVE BLOOD AT SPECIAL MEETING MONDAY

Fourteen Campbell Rotarians paid a visit to the County Blood Center in San Jose Monday instead of holding their regular luncheon meeting. Dr. J. Frederick Snyder made arrangements for the group blood donation.

Those who signed up to give blood were Joaquin J. Payne, Dr. Robert Jasmine, Emerson Arends, Mario Sala, Robert Hicks, Cel Gerevas, Homer Hyde, Tony Raffanti, Forrest Reese, L. W. Harmon, Dobie Jeffers, Fred Jones Jr., William Maderis and Clifford T. Cassidy.

WELCOME TWO NEW MEMBERS

Names of Marian Jacobsen and Ruth Antisdale were added to the active membership list of the Footlighters at the club's regular meeting last week. Bert Legg presided.

Birth of a future Footlighter was announced by Al Mauseth who said a baby son, Brian Albert Mauseth was born to him and his wife on January 8 at O'Connor Hospital. Young Brian weighed in at seven pounds.

A report on the recent production of "Blithe Spirit" was given during the business meeting, and the group voted to present "Kill the Old Rooster," a one-act comedy, as its contribution to the Old Settlers' Day celebration on February 22.

Alma Fanning, entertainment chairman for the evening, presented a one-act play entitled, "Never Again!" Those in the cast were Irene and Gene Hodges and Mae and Henry Mogeson. The play was enthusiastically received by the spectators.

Refreshments were served by Irene Hodges and Marge Berg at a table centered by a birthday cake with 11 candles, the occasion being the observance of the club's 11 years of existence.

Entertainment at next month's meeting will be planned by Rhoda Clark and Mary Paarker. Refreshment committee will be the Harvey Sheeders and Bud Levenbergs.

Principals Confer With Morton; Civil Defense Commander Asks First Aid Training For Teachers

Role of school officials in the civil defense program was discussed at a special meeting held Monday afternoon at the home of Campbell Elementary School District Superintendent William C. Henley. Attorney Richard W. Morton, Campbell Zone commander, told principals representing all schools in this district, they will play a vital

part in the defense work since provision must be made for care of the school children in the event of an attack during school hours.

Morton, assisted by his zone warden, Laurance J. Hill, outlined work school personnel can do for the civil defense program and what school personnel may anticipate in the way of duties.

All teachers were asked to obtain first aid certificates, since each will have immediate responsibility for 30 or 40 pupils.

Principals were asked to obtain clearances from their respective boards of trustees for use of school facilities for civil defense.

Campbell Union High School has been selected as the temporary zone control center pending approval by the county civilian defense office. The control center will be equipped for command post work. Campbell's future fire house on Central Avenue may eventually become the command post.

Rebekahs To Parade Settlers' Day

Rebekah Lodge 223 displayed its entry in the Settlers' Day parade on January 16 in the OF Hall. Noble Madsen, president, assisted, as did Madge Wyse, named chairwoman to plan the parade. A committee was organized for the parade at 7:30 p.m. on Friday.

cold from arthritis. Both are improving.

MR. V. B. ROYCE has returned to his home here from O'Connor Hospital. Although he is still on the sick list, Mr. Royce is reported to be improving.

MR. AND MRS. E. L. HENNINGSON of Woodward Avenue will entertain friends from San Jose, Mr. and Mrs. Lee Young, this evening.

MRS. RAYMOND NYE JOHNSON had a particular interest in the Armand Girard TV show Monday at 7:30 p.m. for her niece, eight-year-old Sheryl Lynne Martin of San Jose, was among the performers. Sheryl Lynne and a friend, Gail Martinez, 8, also of San Jose, were on the show. Sheryl Lynne did a real Hawaiian hula dance.

Paradiso Council Hears Annual Unit Reports

Safety and Civil Defense, as reported by Mrs. Bud Scofield, was the principal discussion topic at the recent meeting of El Paradiso Council of the Parent-Teacher Association in Los Gatos High School.

Mrs. R. L. Allinger, president, reported on the meeting of the board of managers and members discussed the annual unit reports. Mrs. Reginald Vaughan reported on work of the Three R study group.

Appointed to the nominating committee were Mrs. Mary Dennis, Mrs. Bud Scofield and all unit presidents of the council.

A special conference for high school units was conducted by Mrs. H. C. Grimes, Sixth District president.

Next meeting of the council will be a potluck gathering at the Campbell Congregational Church on March 9.

Becomes President Of Ladies Guild

Ladies Guild of the Church of the Good Shepherd met Tuesday night at the home of Mrs. Gladys Jessup of Campbell. Co-hostess was Mrs. Koster.

New officers, installed by the pastor, the Rev. Constant Johnson, were Mrs. Clarence E. Nelson, president; Mrs. Clifford Johnson, first vice-president; Mrs. Glenn Stevens, second vice-president; Mrs. Lowell Benson, treasurer; Mrs. Guerdon Hanson, secretary, and Mrs. Selma Hokenson, mission tidings secretary.

Members of the guild attended the District Women's Missionary Society meeting Tuesday at the Ebenezer Church, San Francisco.

Next meeting of the guild will be on Tuesday, January 23, at the home of Mrs. John Mehrens, 780 Ridgely Drive, Campbell. Mrs. Bernice Lawrence will be co-hostess.

Demonstration Of Wool And Uses

Cambrian Homemakers will have their next regular meeting on January 24 from 10 a. m. to 12 noon in the Cambrian School auditorium. Mrs. Patricia Sligk of the Santa Clara County Extension Group will give a demonstration on wool and its uses.

Small children will be cared for in the scout hut.

It is important that all members who signed at the last meeting for the coat school be present at the January 24 meeting or phone Mrs. Anne Montreza, Campbell 4088, for further information.

A group met January 12 at the home of Mrs. H. C. Gilbert and made two dress forms. To date all members desiring forms have made them.

Moreland PTA

The Moreland PTA held a potluck supper Wednesday at 6:30 p.m. in the Campbell High School cafeteria. The Rev. Nathaniel Lauriat of San Jose spoke on "Making Spiritual Values Available to Our Children." Mrs. K. L. Bitzer presided. Fifth grade mothers were hostesses.

per and installation of Morning Light Lodge 42 last week. Refreshments were served in the banquet room by the noble and vice-grands and their committee.

The district deputy will pay her official visit to the Campbell lodge at the next meeting, February 6. Ruth Livingston is chairman of the committee which will consist of members of the Past Noble Grands Club.

Students In TV Show

Bill and Ed Ziegler of Campbell High School appeared on a 30-minute television show in San Francisco Friday night. Together with a group of San Jose High School students, they presented a musical comedy program over KGO-TV.

Bertha F. Brown Injured In Crash

Bertha F. Brown, 36, of Campbell, suffered minor injuries last week when her car struck a tree in front of 1425 Pomona Avenue, San Jose. She was treated at Emergency Aid Station, San Jose. The woman told officers her car lights went out and she lost control of the car when she leaned over to pull the switch on the dashboard.

CAMPBELL BIRTHS

CHESNEY—To Mr. and Mrs. Keith Chesney, 43 Harrison Avenue, Campbell, a son, Ronald, January 8 at O'Connor Hospital.

ARMSTRONG—To Mr. and Mrs. Collis Wandle Armstrong, Route 2, Box 285, Campbell, a son, Jack Raymond, January 4 at O'Connor Hospital.

Country Woman's Club Of Campbell Joins Federation

At a recent meeting of the Country Women's Club of Campbell, members voted universal membership in the General Federation of Women's Clubs.

Guest speaker for the Monday afternoon meeting of the club was Miss Dorothea Madsen, whose topic was "Art and Culture of the Scandinavian Countries." Miss Ruth Courtney offered a vocal solo, accompanied by Mrs. David Sanders, and Miss Rosemarie Magnusson played a group of piano solos.

Hall decorations for the gathering were camellias and flowering blossoms. Mrs. Ray Prince was chairman, assisted by Mesdames Emil Kollmer, R. H. Hycke, R. B. Bishop, J. B. Collins and C. N. Grizzle.

Charity Lodge F&AM Holds Rites For W. A. Gullick

Services were conducted in San Jose Tuesday for William H. Gullick, 56, of that city who died Sunday in Community Service Hospital after an extended illness.

Charity Lodge 362, F&AM of Campbell conducted the rites under leadership of Worshipful Master Kenneth Dunton. Pallbearers were Frank L. Steindorf, Herbert Steindorf, Ralph Gardner, Herbert Gardner, Bert Campbell and Ira McConnell.

A native of England, Gullick had lived in this area for 40 years. He was a member of Willow Glen American Legion Post 318, and was employed at the Ames Aeronautical Laboratory.

THEODORA JOHNSON

CAROL PRICE, WILLIAM BREEDEN PLAN EARLY SPRING WEDDING

An early spring wedding will unite Carol Lea Price, daughter of the E. C. Prices of Dry Creek Road, Campbell, and William W. Breedren Jr. of San Jose. Miss Price, a graduate of Campbell Union High School, attended San Mateo Junior College and San Jose State College.

The betrothal news was revealed at a recent luncheon given at Rickey's Studio Club by the bride-elect's sister, Miss Mary Price.

Guests at the luncheon were Mesdames Roy Holman, Elmer Wright, Walt Alladio, Martin R. Welsh, Wilmer Casterson, Fred Kuster, Grant Brown, Jack Reiser, Richard Andrews, Elver Bohnett and the Misses Sally Lovell, Bea Hohman, Jean Larson, Jacque Van Arsdale, Joan Kennedy and the honoree.

Button Club Elects Officers

Mrs. Olga Paley of San Jose was hostess for the January 10 meeting of the Santa Clara County Button Club. She was assisted by Mrs. Emma Rutan in serving a 1:30 p.m. dessert luncheon.

Mrs. Fred Stone of Morgan Hill was elected president for the current year; Mrs. A. P. Zopff of Los Gatos, vice-president; Mrs. Paley, treasurer, and Mrs. Bertha Glass of San Martin, secretary.

Other members attending were Mesdames Charles W. Harrison of Gilroy, Walter Graeb of Morgan Hill, Ada Angel of Oakland, J. C. Erhard of Saratoga, L. G. Case and Mildred Darneal of Los Gatos, Mabel Abbott and Luella Ryan of Campbell, R. M. Wilmoth, W. H. Murphy, Ralph Cole and Emma Rutan of San Jose.

Mrs. Marian Fiddler of San Jose was a guest.

The Los Gatos home of Mrs. L. G. Case will be the scene of the February meeting. Mrs. Mildred Darneal will review the life of Kate Greenaway.

Mrs. Eugen Andres Re-Elected Head Of Visiting Nurses

Mrs. Eugen C. Andres Jr. of Campbell was re-elected president of the Visiting Nurse Association of San Jose Friday night at the group's annual dinner meeting in Calvary Methodist Church.

Others elected are Emmet N. Bitton and Mrs. George Starbird, vice-presidents; Mrs. Richard O'Flynn, secretary; George Rowl, treasurer. New members of the board of directors are F. H. Patterson, William Pfeiffer, Dr. W. Elwyn Turner, A. Ruric Todd, Earl Crandall, Mrs. Engerud and Mrs. Frances Wank.

Those re-elected to the board were Dr. Earl Campbell, Henri Hill, Mrs. Lawrence Hogue, Mrs. Robert Kennedy, Mrs. O'Flynn, Rowl and Mrs. Andres.

St. Lucy's Women's Club Monthly Card Party

St. Lucy's Women's Club will have its regular monthly card party, January 26, at 2:15 p.m. in the library hall.

Mrs. Joseph Souto is the chairman, assisted by Mesdames Manuel Silva, Tony Pimentel and Mary Trigueiro.

Refreshments will be served. The public is invited.

PACIFIC GAS AND ELECTRIC COMPANY

Do's and Don'ts For Safety

Atomic Blast Need Not Be Fatal

(In this column is continued the publication of the U. S. Government's booklet, "Survival Under Atomic Attack.")

WHAT ABOUT "INDUCED" RADIOACTIVITY?

Explosive radioactivity can't be kept out of the upper floors of your house, so learn what to expect from it.

If an atomic bomb goes off in the air within two-thirds of a mile or slightly more from your home, there is no practical way of keeping explosive radioactivity out of the above-ground part of your house. It is possible that, at very short range, artificial, or induced radioactivity could be set up in gold silver or many other objects. However, this kind of radioactivity will never offer great danger, so don't throw away bandages and other first-aid materials in the medicine cabinet. They will be perfectly safe to use.

Even canned and bottled foods may be irradiated, but it will still be safe to use them.

Naturally, the radioactivity that passes through the walls of your house won't be stopped by tin or glass. It can go right through canned and bottled goods. However, this will not make them dangerous, and it will not cause them to spoil. Go ahead and use them, provided the containers are not broken open.

WHAT ABOUT "RADIATION SICKNESS"?

Vomiting and diarrhea are the first signs of radiation sickness.

Should you be caught upstairs or in the open at the time of a bombing, you might soak up a serious

dose of explosive radioactivity. Even so, the first indication that you had been pierced by the rays probably wouldn't show up for a couple of hours. Then you most likely would get sick at your stomach and begin to vomit. However, you might be sick at your stomach for other reasons, too, so vomiting won't always mean you have radiation sickness. The time it would take you to get sick would depend on how strong a dose you got. The stronger the dose, the quicker you would get sick. For a few days you might continue to feel below par and about 2 weeks later most of your hair might fall out. By the time you lost your hair you would be good and sick. But in spite of it all, you would still stand better than an even chance of making a complete recovery, including having your hair grow in again.

WHERE IS THE BEST PLACE TO GO?

There is little you can do to protect your house from blast.

If your house is close to the explosion, there is little you can do to protect it from the bomb's blast or pressure wave. Within one-half mile of the surface point directly beneath the explosion, the shock wave from an atomic bomb is sure to flatten most houses. Out to a distance of about one mile, steel, brick, and wooden structures are likely to be damaged beyond repair. Farther out, there is less destruction, but serious damage may be expected to extend as far as two miles.

It is only wise to figure that the upper floors of most buildings near the explosion will be pushed in. This means the basement is the safest place to be. If you have a basement and time to get down to it, lie flat along the outer wall or near the base of some heavy supporting column. You would be even safer under a cellar work bench or heavy table. Stay away from the middle of the floor where falling beams and other objects are most likely to strike you.

It is best to figure on collapse of the upper floors and to take cover in the cellar.

Naturally, you run a risk of being trapped in the wreckage, but your over-all chances of escape from the bomb in most cases are many times greater than they would be upstairs. If your basement has two exits, you will be in less danger of being trapped.

Besides protecting you from blast and heat, basements also provide shielding from explosive radiation. Because, the lower you get, the more barriers against radiation there are likely to be between you and the bursting bomb. Down in the cellar you'll probably be shielded not only by other buildings, but also by earth and the cement foundations of your own house. Earth, concrete and steel are good radiation barriers.

If you have no basement, locate a shelter you can reach quickly. Such a shelter might be a cul-

vert, a deep gully, or another building within easy reach. If you live in rolling country, there is probably a hill close to you. Even a high bank will offer some protection from most bursts if it is between you and the explosion. In choosing your shelter, assume that the enemy will aim for the industrial buildings.

Cyclone cellars are excellent. If you live in a state where there is danger from sudden storms like cyclones or hurricanes, you may have a "cyclone cellar" or something similar. If so, you have a shelter that will give excellent protection against atomic bombs.

HOW SHOULD A HOUSE BE PREPARED?

Fireproof housekeeping is important.

Starting right now you should go in for "fireproof housekeeping". Don't let trash pile up around your house and always keep it covered in containers.

When alerted, close all windows and pull down the shades. Guard against injury by flying glass.

If you know you have time when an alert sounds, be sure to shut the doors and windows and pull down the shades. This will help keep out fire sparks.

If you have shutters or venetian blinds, or heavy drapes, they will also provide some protection against harm from flying glass.

Several other household precautions should be taken promptly. Atomic bombs set off high above ground seldom cause breaks in underground gas or water mains. However, shaking and twisting of the buildings by the blast wave sometimes snaps off household inlets at the point where they enter the basement. This may allow gas or oil to flow into your cellar.

SAVE YOUR JOBLESS PAY

By Ross Graham

Editor's Note: This is the third of a series of ten special articles.)

Interpretation of "good cause for quitting a job" has opened up one of the greatest rackets in unemployment insurance.

"Good cause" if questioned, can be almost anything that the claims examiner for the Unemployment Insurance Commission decides. Because there is no strict interpretation of good cause, the door is wide open for chiselers who find a sympathetic examiner.

Original intent of the unemployment insurance act was to pay unemployment insurance to the individual who was out of work through no fault of his own, was willing and able to work and was available for work.

The original act intended that the cause of the employee's voluntary unemployment be directly attributable to the employer; for instance, payment of sub-standard wages, danger to the employee's health or morals or unbearable working conditions. It did not intend unemployment insurance be paid to any person who quit his employment for strictly personal reasons.

The act as at present amended does not require the cause of the individual's unemployment be attributable to his employer.

This amendment makes the act read: "An individual shall be disqualified for benefits if (1) he has left his most recent work voluntarily without good cause, if so found by the Commission." But "good cause" is not defined.

The California Unemploy-

ment Insurance Appeals Board interpreted good cause to mean "any compelling personal reason." The individual claims examiners in making the initial determination, interpret "compelling personal reason" in the light of each individual examiner's personal opinion.

The results, as might be expected, are anything but uniform. The door is wide open for chiselers to voluntarily quit their jobs and get unemployment insurance, which unjustly depletes the unemployment insurance fund and is estimated, as closely as possible, to drain the fund of at least \$30,000,000 a year.

That's \$30,000,000 a year that should be available for payment of benefits to workers honestly unemployed.

Carelessness on the part of employers is partly responsible for continuation of this situation. If the employer of a "voluntary quit" fails to file a protest with the department within a three-day time limit, after getting notice that the ex-employee has filed a claim, and the claims examiner then decides the person had a "compelling personal reason" for quitting, and therefore clears the claim, the employer is not notified of such clearance. This is because

the employer did not file a protest. Thereafter the employer may not file an appeal.

Part of the remedy for this loss to the fund therefore is the responsibility of employers, but even so, there should be strict definitions of "good cause." However, even if employers are found disqualified for leaving the most recent work voluntarily, without a compelling personal reason, the disqualification is for 5 weeks maximum only. At the end of the 5-weeks disqualification period the worker is deemed to be involuntarily unemployed and then can file for benefits.

In this case the employer's reserve fund is not charged with the benefits, but they do come out of the general unemployment fund. This also hits the employer, if the general fund is depleted by such payments, the tax rate on the employer must be raised in accordance with the act.

Many of these "voluntary quits" are based on trivial reasons, clearly contrary to the intent of the act. A person wants to visit relatives "back east." Or he has to get to work too early in the morning. Or he is not satisfied with transportation facilities.

Alert employers usually protest

claims based on such reasons. So, ex-employees are disqualified for benefit payments. This is a small measure of relief for the employer. He protects his merit rating and individual reserve fund, but it costs him to train a replacement, and, after a maximum of 5 weeks, the claimant is regarded involuntarily unemployed and can get benefit payments anyway from the general fund, to which the employer contributes.

Even if discharged for cause, an employee can get temporary employment by another firm, work briefly and on being laid off, file a claim and draw maximum benefits anyway.

This can happen because the department sends notices of claims filed only to the last (temporary) employer. The long-term employer doesn't get to file a protest in these cases, but his individual reserve fund is charged with the benefits paid, nevertheless.

A recent amendment to the act intends to make an individual claiming benefits "to seek work on his own," instead of wholly depending upon the department to find him a job. But even this requirement can easily be evaded, as will be explained in the next installment.

By JERRY THOMAS

NET RESULTS . . . To the lad who aspires to be another Bob Feller or Joe DiMaggio when he becomes a man nothing is greater than to catch a stray foul or home run ball and have his favorite diamond hero autograph it.

We suppose the same goes for all sports. If our supposition holds true then four varsity tennis players from Campbell high school are in for the thrill of their young lives come Sunday, January 28, at the Civic Auditorium in San Jose.

Dick Jordan, Jim Heaton, Tom Barton and Dave Barton are four lucky Buc netmen who will act as ball boys during the Bobby Riggs Professional tennis exhibition scheduled for Sunday evening.

Dink Clark, a pro in San Jose acting for that city's Junior Chamber of Commerce, contacted Harold Drummond, director of athletics at the high school, this week, asking for the boys.

To be chosen ball boy for a match between Jack Kramer, world pro champ, and Pancho Segura, US pro champ, is like being selected ball boy for a World Series.

On the more attractive side, strictly from the masculine angle, Gorgeous Gussie Moran, a perfect example of a press agent's ingenuity, plays Pauline Betz, four-times US Champ.

MAT MEMOS . . . Campbell high school plays host to the SCVAL Wrestling tournament February 17 at the Campbell avenue gym. This annual affair marks the second consecutive year that the Bucs have been honored as home team.

But if the epidemic of injuries to the local crew doesn't come to a sudden screaming halt, quick like, Coach George Miskulin may have to resort to dirty looks at 30 paces.

At this writing no less than five of his heavy-duty men are ailing from an assortment of ills. Pete Vossler, though participating in varsity matches, is far off the form that made him SCVAL champ in the 103-lb. class.

Sam Lopez, the most improved grappler on this season's squad, is out temporarily with a case of the flu. Harley Thompson is suffering all over from a general case of physical woes. Tony Cadena still limps about with that pulled leg muscle. Don Duarte, who suffered a

broken nose in a meet against Gilroy two weeks ago, came up with a broken rib this time.

If the worst comes to pass, Miskulin can always put on "exhibitions." He learned the mat trade at San Jose State college under Ted Mumby, who in our opinion is one of the greatest college wrestling coaches in the country.

JUST A START . . . The long-awaited expansion program at the high school seems to have become a reality, to a degree at least.

In fond hope of someday building a new gym that will extend into the left field of the present baseball diamond, work on a new ball site has been started this month.

The school-owned orchard in the rear of the bus sheds already has been reduced to piles of wood and leaves. The proposed diamond will extend from Latimer to the present basketball courts.

Scarcity of material has lengthened the building deadline. It was expected to have the field ready for play this summer but latest reports say that it will not be finished until the fall.

Also included in the athletic renovation are two football practice fields and newly-located cage courts. The gridirons will be complete with drainage and sprinkler systems.

The present handball courts and fence also are scheduled for removal as are the bus sheds. Give or take a year or so, the Physical Education plant at Campbell high may well rank as the finest in the area.

Final Week Of Play In 'A' League Finds McCune Still On Top

McCune Citrus, current leaders in the "A" division of the Senior Cage league, is assured at least a tie as the final week of play commences.

Unbeaten in four games, McCune meets thrice-defeated Western Gravel. The gravel-men are ever dangerous for they boast the league's highest scorer in the person of Bob Burgstrom. He has averaged 17 points in four games thus far. His highest output came against Bue Bee when he tallied 23 points.

One game off the pace in the first half running is Los Gatos Merchants who suffered its sole loss at the hands of McCune. The Merchants meet Jones' Service in their last contest of the opening half.

Busy Bee plays Rossi's in what may be the battle for cellar laurels.

In last Thursday's triple-decker, McCune trimmed Jones' 37 to 23. George Stein was high point-getter with 10 markers.

Western Gravel topped its first win of the season by eking out a 38 to 35 win over Rossi's. Burgstrom led all scorers with 18 points.

In the night's thriller, Los Gatos Merchants staved off a late rally by Busy Bee to squeeze out a 38 to 37 victory. The losers came on in the final quarter to score 13 points while the Los Gatos strained for eight.

Forward Heatherington tallied a point for every letter in his name to pace the scoring. His 13-point effort bettered the 12 points apiece garnered by Grant of Los Gatos and H. Rodriguez of the Bees.

Buc Matmen Tangle With Sequoia High; Gilroy Tourney Set

Still smarting from their unexpected defeat at the hands of Santa Clara high, the Campbell wrestling team is preparing for Tuesday's match with Sequoia high to be held at the high school gym.

The northern visitors boast one of the stronger clubs in the Peninsula Athletic League.

Next Saturday, Coach George Miskulin will take a tentative four-man team to Gilroy to compete in that city's second annual Invitational Mat Tourney.

At this writing, barring any injury, Miskulin will have Bill Blue wrestle in the 103-lb. class. Pete Vossler, 112-lb., Abe Lopez, 137-lb. and Andy David, 175-lb. are the other three local grapplers that are scheduled to compete in the event.

Gilroy officials announced that nine high schools have been invited to participate.

The Gilroy VFW, sponsors of the affair, has secured medals for the winner and runner-up in each weight division.

The following schools have been issued invitations: Santa Clara, Fremont, Campbell, San Jose Tech, Gilroy, Salinas, Los Gatos, James Lick, and Santa Cruz.

The Santa Clara matmen won the final two matches to earn a 24 to 17 win over the Bucs Tuesday afternoon.

With Campbell leading 17 to 16 after nine matches, the Panthers' Goodman decided David for three points. That made the score 19-17 for Santa Clara with the final match left.

A win by Dave Abernathy in the heavyweight class would have given Campbell the meet. A decision, worth three points, would have done the trick.

But Jacques of Santa Clara had different ideas as he pinned the Buc heavy to assure his team ultimate victory.

Results:
103-Jacobs (SC) pinned Rachstead, second period.
112-Parle (SC) dec. Vossler.

120-Barton (C) pinned Oshiba, second period.
127-Farnham (C) dec. Asatani.

133-Duarte (C) dec. Stocker.
138-Silva (SC) dec. Lopez.

145-Vail (SC) pinned Cox, second period.
154-Stepovich (C) dec. LaBarbara.

165-Lynes (C) dec. LaBarbara.
165-Lynes (C) dec. McNeil.

175-Goodman (SC) dec. David.
Hvywt.-Jacques (SC) pinned Abernathy, second period.

In a foul-infested though thrilling game, the Campbell high school basketball team lost their first league contest Friday as they were outlasted by Mt. View, 48 to 45, on the winner's home premises.

A total of 62 personal fouls were called as the officials played a tight rule-book defense. The Indians were guilty of 35 fouls with the Bucs assessed for the remaining 27.

Now sporting one win and one loss in Santa Clara Valley Athletic League play, the Bucs resume action tonight at the local gym by meeting James Lick High.

In a preliminary contest, the 30's squads of both schools will vie at 6:15 o'clock.

Coach Bert Robinson will stick with the same starting line-up of Jack Bray at center, McKully and Tersigni at forwards and Mantia and Walters at the guards.

The tilt Friday was close all the way with not more than three points separating the teams at any time.

Trailing by one or two points throughout the opening half, Campbell knotted the count at 24-all just prior to intermission.

The Indians jumped off to an early lead as Tony Tadin and Tom Powers hit for two first-quarter field goals apiece.

The Bucs were held on only one bucket in the period as the tight defense proved to be an early puzzle. Free throws kept them in contention with McKully, Bray, and Mantia netting the charity tosses.

Though outscored from the floor, 18 to 11, Coach Robinson's crew stayed in the game throughout by some sharp free-throwing. The locals hit for 23 out of the 35 fouls called against Mt. View.

The third period saw the same type of ball that was exhibited in the first half. Nip and tuck all the way, Campbell managed to maintain a one-point margin as play progressed into the final stanza.

At this point, the five fouls and out ruling hurt the Bucs' cause no end. Three starting players were forced to leave the game via the foul route.

Mantia was the first to depart late in the third period. He was followed shortly by McKully and Bray, the two men that gave Campbell backboard control.

In the final quarter, the Indians hit for 15 points while the Bucs netted 11.

A rarity in any basketball game was witnessed during the contest. McKully, on a jump ball, tipped the ball into the basket for a bona fide two-pointer. The tip took place near the key and the Buc forward just slapped at the ball with the end result being that the ball hit the boards with a thud and dropped surprisingly through the hoop.

Grammar Fives Still Lead In Loop Play

The high-flying Campbell Elementary school "A" cage squad won its fourth and fifth games this week to remain unbeaten and in sole possession of first place in the Santa Clara County Grammar school league.

Friday, Coach Neil Royer's team walloped Los Altos, 40 to 14. Then they tripped Cambrian Wednesday afternoon, 29 to 15.

Frank Rogers paced the team in both victories. In the Los Altos fray he netted 16 points and in the Cambrian tilt he garnered 14.

The "B" squad followed suit once again as to remain undefeated. They captured their fourth straight from Los Altos "B"s, 25 to 13. Eppie Gallego was high.

A cage innovation was brought forth by Royer and Cambrian's coach.

Both men fielded midget teams in an additional feature. Players on these squads are either too small or too young to participate in the heavier leagues. Campbell made it a clean sweep as Royer's mighty ones nosed out their counterparts, 27 to 26.

Three-Way Tie In 'B' League Results Play-off Tuesday

A three-way tie for first place in the opening round of the "B" division in the Campbell Senior Basketball league became a reality Tuesday night as previously-unbeaten Campbell Hardware went down to defeat.

Maderis Market, tied for second spot before the game with Santa Clara Lumber, tripped the pots-and-pans squad 48 to 33 in the second game of the weekly twin-bill offered at the local gym.

In the curtain raiser, SC Lumber kept its hopes alive by outclassing Sisemore's, 49 to 21.

Immediately following the second contest, league officials met with the three respective captains and tossed a coin to decide play-off opponents and dates.

The lumbermen proved to be the fortunate odd man out. Maderis and Campbell Hardware will meet again Tuesday evening to determine who will tangle with the Santa Clara crew for the first-half championship.

In Tuesday's tilt Maderis made excellent use of the free throw to convincingly trim the hardware-men. The winners hit for 14 out of the 18 personal fouls called against Campbell. The vanquished were able to collect three of their 11 shots from the charity line.

Halftime score found Maderis enjoying a 29-16 lead. The second half was played on even terms.

High point man for the victors was Forward Wyrech with 13 points on four field goals and five free throws.

Oldham and Freitas shared scoring honors for Campbell Hardware as both hit for 11 points apiece.

Santa Clara Lumber, led by Russ Wentworth, had no trouble with Sisemore's in winning 49 to 21.

Wentworth was the night's top scorer with 20 points on seven buckets and six free throws.

The tight defense thrown up by the lumbermen yielded only one field goal in the first 12 minutes of play. In all, Sisemore's hit for a mere eight buckets from the floor.

Halftime score was Santa Clara Lumber 20, Sisemore's 11.

Local Coaches Play In SJS Alumni Tilt

Bert Robinson and Junior Morgan, of the Physical Education staff at Campbell high school, will be two stars of the galaxy of former San Jose State college basketball greats that meet the Spartan varsity February 3 at Spartan gym.

The proceeds of this Alumni-Varsity game will go to the Olympic Games Committee.

Robinson, head cage mentor at Campbell, will be honored along with other erstwhile San Jose basketball captains between halves.

He captained the Spartan squad twice, once during the 1942-43 season and again in 1945-46 following a hitch with the military.

Other former State stalwarts include Bob Wuesthoff and Hal Sonntag, now playing for McCune Citrus in the local Senior League. Wuesthoff captained the college crew last season while Sonntag led them through the 1946-47 season.

THE CAMPBELL PRESS SPORTS

Campbell Hi Track Records Brought Up To Date Again

Complete track and field records have been compiled this week by Junior Morgan, head coach at Campbell high school.

The previous list of records was lost or displaced during the last war and the PE department was found wanting in regards to school marks, distances, and times.

Morgan finished several months of research, scanning reams of copy dating back to 1928, the first entry date on the new record board.

According to the latest statistics, four of the varsity marks were set last year.

Rod Kolze, All-SCVAL miler, holds the record for that distance at 4:41. Charlie McBain set the 180-yard low hurdle mark of 21.5 during the league meet last fall. Both tracksters are back this season for another crack at their respective times.

The other two marks established in '50 are the 880-yard dash and discus throw. Bill Kincaid sprinted to a time of 2:05.1 in the former event while Max Williamson tossed the discus 114'4".

Following are the remaining records:

100-yard dash in 10.1, set by Maxie Maxwell (1928); 200-yard dash in 22.4, set by Maxie Maxwell (1928); 440-yard dash in 52.5, set by Harold Orcutt (1948); 120-yard high hurdles, set by Lorey Pierce in 16-3 (1946); high jump, set by Leland Vaughn at 5'1" (1938); pole vault, set by Kaleb Borg at 12' (1937); broad jump, Jim Cunningham at 21'7" (1946); shot put, Elmer Sundquist, at 45' (1930); hop-step-jump, Billy Wilson at 40'8" (1945) and the 880-yard relay (Jay Kuykendale, Wayne Buck, Harold Orcutt, Tom Blackman) in 1:36.5 (1946).

Try the Campbell Press for your JOB PRINTING Needs!

SCVAL Releases Grid Schedule

Seven league games have been set for the Campbell Bucs this coming football season, according to the recently-released 1951 Santa Clara Valley Athletic League schedule.

Coaches or representatives from all eight schools met last month to determine grid activities which start October 5, concluding November 16.

Under present plans, the schedule will remain the same in future seasons. The only change will find the seventh week replace the first week, with other weeks moving on a similar rotating basis. Each team will be the host on alternate years.

Following is the Buc SCVAL schedule: Oct. 5—Campbell at Los Gatos; Oct. 12—Campbell at Lick; Oct. 19—Santa Clara at Campbell; Oct. 26—Campbell at Washington; Nov. 2—San Jose Tech at Campbell; Nov. 9—Campbell at Mt. View; Nov. 16—Fremont at Campbell.

CLASS DISCIPLINE DISCUSSION TOPIC FOR TEACHERS

Classroom management was the subject for study and discussion at the meeting of Campbell Union School District teachers held Wednesday afternoon.

The meeting was opened by Superintendent William C. Henley who presented Dr. Nan Allan of the county office of education. Dr. Allan showed a film on classroom discipline after which teachers separated for grade level meetings on common problems of classroom management.

Ray Wilson, San Tomas teacher who has charge of civilian defense plans for schools of the district, asked teachers who have not taken the regular Red Cross first aid course to list their names for a course to be given in the near future.

Civilian defense plans for Campbell schools, Wilson said, are being held up till more adequate information on what to do comes from state and national sources. It was felt that any detailed plan would be premature and might have to be "unlearned" when definite information comes through.

SCHOOL NOTES

SAN TOMAS

Our Fifth Grade class at the San Tomas School has a student council which meets every week in our classroom. We have the meetings so that we can make our class rules and decide on punishments for breaking these rules. We also discuss class activities and appoint committees for programs and parties. We are practicing the democratic way of running an organization.

The council members for this quarter are: Carol Rose, president; Gayle Cummins, vice-president; Harvey Alford, secretary; Gary Penn, program chairman.

We feel that if we practice democracy now it will help us become better citizens when we grow up.

Judith Cardellino
Mrs. Freeman's Fifth Grade

CAMPBELL

As part of Campbell School's Safety Campaign the students took part in a poster contest. Posters were drawn to show different kinds of accidents and how to prevent them. The first prize, fifty cents, was awarded to Carolyn Veith in the seventh grade and Pat Means in the eighth.

Two seventh grade classes saw the movie "King Solomon's Mines" as their reward for selling the most tickets to the Footlighters orchestra benefit performance of "Blithe Spirit" given last December.

Winners were Miss Carol Eason's class and Mrs. Lillian McCall's class. Pupils in all three schools from fourth grade up took part in the contest.

SERVICE NOTES

Recent U.S. Navy enlistees include the following Campbell residents: Billy Hoss, Box 67; Darrell Hughes, P.O. Box 241; Ray Crawley, 188 Page St.; Ralph Marsh, 143 Alice Way; Harry Fish, 270 West Campbell Ave.; John Ritesman, 331 Hacienda Ave.; Fred Viles, 222 Sunnyside Ave., and Louis Bias, Rt. 2 Box A.

All male enlistments are under restricted quota, but women may be enlisted as there is no set quota at the present time. Ex-Navy men may be enlisted without regard to recruit quotas.

Four more Campbell men have enlisted in the U.S. Air Force this week. They are William D. Hassler, 133 Dillon Avenue; Charles B. Keesling, Route 1, Box 125B Union Avenue; James O. Loveday, 108 S. First Street, and George Goodridge, 261 Esther Avenue.

HARRY E. FISH

Harry E. Fish, 18, son of Mr. and Mrs. Ray Fish who operate the What Not Shop on Campbell Avenue, has enlisted in the U.S. Navy and is now undergoing a nine-weeks' training program at the San Diego Naval Training Station. He was in his freshman year at San Jose State College.

His brother, Ray Fish Jr., has already taken his physical examination for the U. S. Army and expects to be called after he graduates this June from San Jose State College where he is majoring in chemistry.

NAVY RECRUITS

Eleven Campbell men signed up last week as Navy recruits. They are Harry E. Fish, Billy D. Hoss, Louis W. Bias, Fred L. Viles, Alvin C. Ballard, Ray W. Crawley, Darrell G. Hughes, William D. Hassler, Leo E. Kurtz, John W. Ritesman and Ralph L. Marsh.

NATIONAL GUARD

There are a limited number of vacancies existing in the Medical Platoon, 2nd Bn, 159th Inf. Regt. California National Guard.

Men 17 to 35, and men over 35 if a veteran, or have had prior service in the National Guard are eligible, and pass the physical examination.

Benefits while participating in the National Guard are numerous; pay for each authorized drill, 15 days of field training during the summer which gives the individual first hand knowledge of all types of training, with pay and allowances, and at the end of twenty years service, retirement with pay.

There are many chances for promotions, and also for commissions in the California National Guard for qualified men. Men of draft age who have not been notified to report for their physical examinations can have their induction deferred while in the National Guard. This provision will allow men of draft age to train

HEAVY SIGNUP FOR FIRST AID, HOME NURSING

More than 80 persons enrolled in the first aid and home nursing classes during their first meetings this week at Campbell High School, Robert C. McCloskey, civilian defense instruction class organizer, announced today.

McCloskey said enrollment in the Tuesday-Thursday nights first aid course, taught by Mrs. Vivian Gregory, was so large that the group has been divided into two classes. Forty-eight persons signed up for this course, while 14 persons have enrolled in the home nursing class which meets Tuesday and Thursday nights at the high school with Mrs. Alfreda Runge, the high school nurse.

The other first aid course, organized at request of local groups, meets Monday and Wednesday evenings and has an enrollment of 21 to date.

For those who still plan to enroll in any of the above courses McCloskey had a word of advice—class enrollments will be closed after Tuesday night since the first aid course requires a minimum of 16 hours, while 20 hours of class work are recommended.

If a sufficient number of persons still desires to enroll we will organize new classes, he added. Meanwhile, those unable to get in the present courses may wait until a new series of courses is launched in about two or three months.

The home nursing course requires 12 hours of class work, so new classes can be organized every three weeks.

For further information on these courses interested persons may check with the office of Superintendent Laurence J. Hill at Campbell High School, phone 3481.

ST. LUCY'S GUILD MEETS THURSDAY

St. Lucy's Evening Guild has returned to a Thursday night meeting schedule. Next session will be on Thursday, January 25, at 7:30 p.m. in the home of Dorothy Metcalf. Mabel Macedo will be the co-hostess. Both are new members of the club.

At the last meeting Secret Pals were chosen. Members voted to have a Secret Pal night every three months.

at home with men of their local community and in a unit of their own choice.

For further information, contact Sgt. Harold V. Ely, National Guard Armory, 240 N. 2nd St., San Jose, Telephone CY 4-8698.

Theodore P. Economopoulos WOJG 159th Inf. Regt. Cal NG Ad'st Information Officer Hq & Hq Co. 2nd Bn.

SERVICEMEN'S LETTERS

Residents of Santa Clara County who receive letters from servicemen now on active duty are urged by John W. Davis, Veterans Service Officer, to think twice, and carefully, before they destroy such letters.

Often, he pointed out, the information contained in "GI" letters is the all-important clue to evidence that may be required later in establishing the serviceman's right to medical treatment or compensation for ailments or injuries.

This is particularly true in the case of combat conditions such as have marked the Korean campaign, where medical records are difficult to maintain in the field.

"A disability which had its origin in service may be casually mentioned by your GI son, or husband, or friend in a letter, and may never appear in military records," Mr. Davis explained. "Years later, it may reappear and cause his suffering and loss of income. That letter, particularly if it mentions some of his buddies who would have knowledge of the case, may be the sole means of this serviceman's establishing a valid claim for service-connected disability compensation and treatment."

Such letters have proved of vital importance in helping many World War II veterans establish their entitlement to disability benefits, Mr. Davis observed.

TEACHERS ASSOCIATION SEEKS MEANS FOR SALARY INCREASES NEXT YEAR

Teachers' salary schedules were the main item of discussion at the regular monthly meeting of Campbell Teachers Association last week. Reporting for the finance committee, Chairman Dick Gordon said the school board, at a recent meeting had declined to accept a suggestion from the association to write a statement to board minutes saying "salaries would be raised next year if money was available."

Writing of such a phrase into board minutes had been suggested by officials of California Teachers Association to facilitate salary increases if a national wage freeze was put into effect. State association officials, Gordon said, felt that although a wage freeze might not be absolute, such a statement might cut red tape if there was a decision to raise salaries. Salaries for Campbell Teachers now run from \$2700 to a maximum of \$3660 with increments of \$96 a year.

President Thelma Wathen said she was making an inquiry about actions of neighboring school boards where similar suggestions had been made, or salary increases asked.

Method of relating salary schedules to a cost of living index were explained to the group by Dick Bartel, member of a special committee of Santa Clara County Teachers Association.

Grace Rowe, education professor, and supervisor of teacher training at San Jose State College spoke to the group on "Professional Ethics of Teachers."

President Wathen repeated her invitation to interested local citizens and civic leaders to attend the association meetings.

Water Co. Seeks Right-of-Way On Winchester Land

Suit to condemn two parcels of land on Winchester Road has been filed by Campbell Water Company in Superior court. The company seeks to acquire a five-foot right-of-way for installation of a six-inch water pipeline.

Named as defendant property owners are Milton Mason and Ruby Juanita Mason.

The water company states the extension of the water line is necessary to provide more efficient service to the growing Campbell area. Law firm of Miller and Morton represents the utility.

Local Methodists Greet Bishop After His World Tour

More than 1,000 Methodist ministers and laymen gathered from miles around to crowd the auditorium of First Methodist Church, San Jose this week in a gesture of welcome to Bishop and Mrs. Donald H. Tippet of the California-Nevada Conference, who recently returned from a world circling tour of the church's missionary work.

CAMPBELL MEMBERS

Local Methodists who joined in the welcoming included: Mr. and Mrs. Howard Guilbert, Dr. and Mrs. H. E. Burke, Mr. and Mrs. George Green, Mr. and Mrs. Edwin Bowling, Mr. and Mrs. Robert McCall, John Lynden, Mr. and Mrs. T. E. Osborne, and Mr. and Mrs. Lawrence J. Osborne.

Communicants from this area heard Bishop and Mrs. Tippet say that in their world travels they had become more convinced than ever that the Christian Church has the answer to world problems.

Strangest statement was that among the head hunters of Borneo they found the only place where there was not actually a shooting war in progress.

WAR OF IDEAS

From the Philippines through Malaya, India and on around the world via Berlin the bishop was amazed at the inroads of the insidious doctrines of communism. Theme of his talk was couched in a phrase quoted from an American army colonel active in Christ Methodist Church of Berlin, Germany:

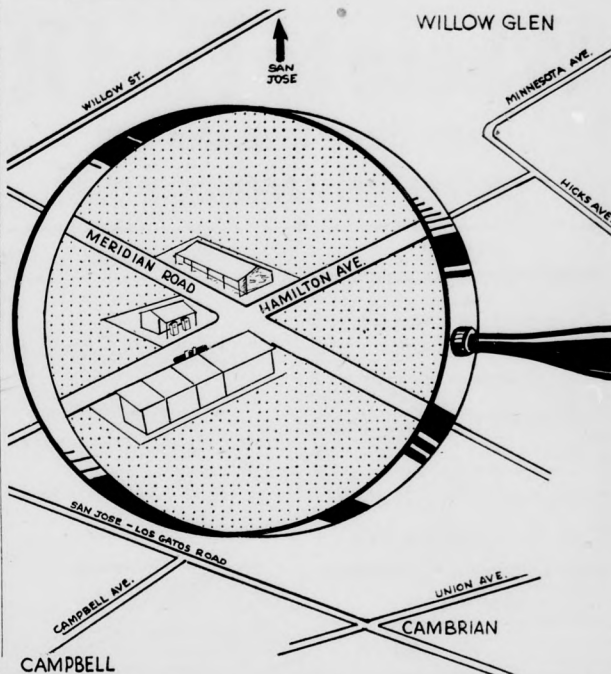

Three-Car Crash

Three drivers escaped injury in a commut-time crash Thursday at 7:40 a.m. on Winchester Road at Payne Avenue.

Drivers involved in the three way crash, according to Highway Patrolman Earl Watson, were Chester Bruce Mason, 17, of 111 Boston Avenue, San Jose; Robert A. Scott, 19, of 329 Doyle Road, Cupertino, and J. H. Bradshaw, 33, Campbell.

Driver Fined \$600

James L. Jefferey, 50, of 15 S. Third Street, Campbell, pleaded guilty in Police Judge Percy O'Connor's Court January 8 to a charge of drunk driving, having two prior convictions and to driving while his operator's license was suspended. He was fined \$600 and his license was suspended for at least three years.

Last Rites For Everett A. Page

Everett A. Page, 77, brother of A. W. Page of Campbell, died January 9 in San Jose. Services were conducted Friday afternoon in San Jose. Interment was at Los Gatos Cemetery.

Page was a native of Iowa and a member of the Knights of Pythias, San Jose Lodge 47.

He also leaves his widow, Mrs. Ella Page of San Jose; daughters, Mrs. Olive Lenning and Mrs. Hazel Walker of Paso Robles and Mrs. Ethel Dano of Escondido and brother, A. V. Page.

all-girl orchestra leader — "Anything guys can do, gals can do better."

RAINER HILDEBRANDT, West German writer, in S. F. — "The fight is not capitalism versus socialism — but totalitarianism versus freedom."

March of Dimes Huckleberry Finn

Larry McKenzie, 1951 March of Dimes Poster Child, sits in a wheat field and forgets he has polio—a smiling symbol of the thousands of children and adults who look to the March of Dimes for aid when polio strikes. The wheat field is on a farm near Larry's home on the shores of Lake Ontario. Twelve-year-old Larry was hit by polio in August of 1949 and was aided by Orleans County (N. Y.) Chapter of National Foundation for Infantile Paralysis. His picture will be seen on thousands of posters throughout the nation during the 1951 March of Dimes against polio this January.

Henry Crawford Dies In San Jose

Henry L. Crawford, foreman at the Louis Booksin Ranch on Hicks Avenue for 40 years, died January 2 in San Jose where he had lived for 66 years.

Services were conducted Thursday, January 4, in San Jose, with the Rev. Douglas Neff officiating.

Pallbearers were Ernest Pope, Wilbur Gardner, John Lindquist, Edward Lindquist, Robert Burns and Robert Olson. Interment was at Oak Hill Memorial Park.

Crawford is survived by his widow, Clara, and two daughters, Maxine and Betty Crawford, all of San Jose. Mrs. Crawford will be remembered as the former Clara Pope, who lived here with her parents on E. Campbell Avenue for many years.

Services Held For Vickie Lynn Smith, Drowning Victim

Vickie Lynn Smith, 2, daughter of Mr. and Mrs. Guy Smith of 715 Salerno Drive, Campbell, who was drowned at her home January 4, was given farewell services Monday, January 8, at 1 p.m. in San Jose. Interment was at Oak Hill Memorial Park. The Rev. Clarence Sands officiated.

The child leaves her parents, her sister, Linda Mae, and brother, Roger Wayne Smith, and grandparents, Mr. and Mrs. W. E. Von Guden and Mr. and Mrs. Albert N. Smith, all of Campbell. She was born in San Jose.

According to the report, Mrs. Smith had been bathing the child in the bathtub when she had to leave the room to attend to another of her children. On her return a few moments later, she found the baby had fallen into the water and drowned. Although the child was rushed to Santa Clara Hospital, she was pronounced dead on arrival.

Organist Guild Sets Meeting

San Jose Chapter American Guild of Organists held their January meeting at St. Patrick's church, Main Street, Watsonville, on Sunday afternoon January 14, at 3 p.m.

The program was presented by: Irvin M. Smith, organist; Roberta Sweitzer Petrie, organist; Robert L. Johnston, vocal group, and John Flynn, organist.

A business meeting followed the program.

LACK OF PARTISANSHIP IN STATE ASSEMBLY PRAISED BY NEW ASSEMBLYMAN CHAS. GUBSER

By Charles S. Gubser,

Member California Legislature, 29th Assembly District (Mr. Gubser, who began his term this month as assemblyman for the local district, has sent the Campbell Press a summary of his reactions to the first week of the session of the 1951 legislature. In an accompanying letter he also expressed gratitude to Assemblymen Kirkwood and Senator Thompson from this county for their aid in initiating him into methods and procedures at the state capital.)

The 1951 session of the California legislature after one week of session appears to be a "working group." Faced with the necessity of completing its job in 120 calendar days it has given every indication of a desire to get to work with a minimum of delay. Older and experienced legislators, so I am informed, have never seen bills introduced and referred to committee at a faster rate. It is predicted that the first part of the 1951 session prior to the constitutional recess may be completed this week.

WARREN'S SPEECH

Reaction to Governor Warren's address to the legislature following his inauguration on Monday, January 3, has, for the most part, been favorable. The address and the recommendations contained in it seem to have pleased both liberals and conservatives alike. One does hear that the Governor's proposed planning commission for the state and his crime commission are merely steps down the road toward bureaucracy and that F. E. P. C. is again doomed to defeat. In the main however, it appears at this stage that the great bulk of his program will become law.

The Governor's talk was particularly noteworthy to me because a recommendation for a compulsory health insurance bill was not included. This was probably due to present world conditions. The legislature will be faced with the issue since

many legislators have announced their intentions of submitting a health insurance bill even though the Governor did not specifically recommend it.

One of the most surprising facts I have encountered to date, is the lack of partisan politics to the extent that I had expected to encounter it. Naturally there will be party cleavages, particularly on the cross-filing issue but for the most part all members of the legislature seem resolved to serve their state rather than their party. Of course, the international situation has been responsible for some of this attitude. It is generally conceded that much of the liberal legislation which might otherwise have passed must wait for the termination of the present emergency.

SALARY PROPOSAL

To date, there appears to be little opposition to an increase in the salary of all state employees. The only question seems to be the amount of the increase. The Governor's message recommends a 5% increase retroactive to January 1, 1951, with another 5% increase in July. Other bills introduced range, in the amount of proposed increase, from the Governor's recommendation to a full 13%.

The only heated debate on the floor of the Assembly to date was concerned with an amendment to the permanent standing rules. This amendment proposed to refer ALL bills which involve the creation of new officers, boards, or commissions, or involved the expenditure of additional funds to the Committee on

Ways and Means as well as to their committee of original reference.

It has been the practice of many legislators in introducing such bills to set one year from passage as the effective date for the law. Since such an effective date would not involve the current expenditure of funds from the general fund the bills have not in the past, been referred to Ways and Means. Economy minded members of the Assembly agreed that all new expenditures of tax money should stand the light of day in two committees rather than one. After a great deal of debate the amendment was carried. (Both Assemblymen from Santa Clara County voted in favor of the amendment.)

NO TAX INCREASE

It is the general consensus that taxes will not be increased by any act of this legislature. The high level of business activity of the past fiscal year has resulted in much higher tax revenue under existing rates than was anticipated. Where a deficit of three million dollars was expected it is quite possible that we will have a surplus of seventy million. Such added revenue should take care of any additional services which the people demand and the legislature votes.

Benj. E. Loveday Services Held

Funeral services were conducted Tuesday at 10 a.m. from the First Methodist Church of Campbell for Benjamin Earl Lovejoy, 52, who died January 1 in Florence, Arizona, after a brief illness. Interment was at Golden Gate National Cemetery.

Loveday leaves his sons, Robert Loveday of Campbell and James Loveday, U. S. Army Air Force; mother, Mrs. Oda Loveday of Campbell; brothers, Gilbert and Lloyd Loveday of Campbell and Hayden Loveday of San Jose, and sisters Mrs. Maude Smothermon, Mrs. Effie Nelson and Mrs. Edythe Crawford, all of Campbell.

He was a native of Texas and a member of Painters Union, Local 507, San Jose.

San Josean Fined For Drunk Driving

Frederick Carl Kunkel, 487 Pamilar Avenue, San Jose, was fined \$150 for drunk driving by Justice of the Peace Martin S. Walsh of Campbell on Monday. Kunkel was arrested January 7 by Highway Patrolman Earl R. Warren on San Jose-Los Gatos Road near the County hospital.

CUHS SENIORS ELIGIBLE FOR REDLANDS EXAM

Senior students from Campbell Union High School are eligible to participate in the honor scholarship examination to be given this Saturday morning, January 20, in San Francisco at Balboa High School by the University of Redlands.

According to President George H. Armacost of the University of Redlands more than 30 scholarship awards will be made with four top awards offering full tuition for four years.

Students who have attained a B average in their high school courses are eligible to participate. "Although advance applications are desirable, they are not necessary," says President Armacost, "students wishing to participate should be present at the Balboa High School at 9:30 a.m."

The day's program will include the examination, special interviews, a forum for parents and a reception following the examination.

Rickman Nephew Killed In Crash

Lloyd Rickman of Seattle, nephew of John S. Rickman of Box 20, San Jose-Los Gatos Road, Campbell, was killed Tuesday when the twin-engine Northwest Airlines plane he was piloting crashed near Edwall, Washington, about 20 minutes after taking off from Spokane on a flight to Seattle.

Rickman, pilot of the plane, two fellow crew members and all seven of the plane's passengers, were killed.

CHRISTIAN SCIENCE CHURCH

The subject of the Christian Science Lesson-Sermon for Sunday, January 21, is "Life" with the Golden Text taken from First John: "This is the record, that God hath given us eternal life, and this life is in his Son" (5:11).

Included in the citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, comprising the sermon, will be the following: John 5:26: "For as the Father hath life in himself; so hath he given to the Son to have life in himself."

Science and Health: "The universe reflects and expresses the divine substance or Mind; therefore God is seen only in the spiritual universe and spiritual man, as the sun is seen in the ray of light which goes out from it" (p. 300). The complete lesson will be read in all Christian Science churches.

One case of tuberculosis was reported in Campbell for the week ending January 6. Other cases for the week were in Gilroy and San Jose rural area.

Panel Series On Three Rs Underway At Moorpark

Moorpark school was the scene of the second in the series of parent-study groups being conducted by the Parent-Teacher Association as its part in the state-wide PTA Three R's program. Purpose of the series is to show how the three R's are taught in the schools and the methods used.

Monday night's session on language arts was conducted by a panel composed of Mrs. Ruth Stewart, school district curriculum coordinator; Miss Wilma Harris and Mrs. Evelyn Cassidy.

First of the series, held January 8, was on reading. Panel members were Mrs. Irma Di Benedetto, Mrs. Mary Olmstead, Mrs. Grace Fairbanks and Mrs. Helen Peterson, special primary teacher.

Subject for discussion next Monday night at 7:30 p.m. in the school will be arithmetic. Principal John P. Duncan said the topic will be presented by Miss Marie McDonald, Mrs. Muriel Nelson and Mr. Marc Swengel.

The public is invited to attend.

Pay By Mail Plan Launched Here

For the convenience of telephone subscribers in making payment for their service, self-addressed return envelopes will be included with all telephone bills here, beginning this coming month, according to N. A. Kulish, Pacific telephone manager.

Kulish said that with the increase in street traffic congestion in business areas, payment of telephone bills by mail has become the most convenient method for the majority of customers. Use of Uniform self-addressed envelopes will also facilitate handling of this mail by the post office.

The new return envelopes are printed in varying colored inks and border arrangements for each of the company's 33 principal business offices in this part of the state, said Kulish, as an aid to proper identification.

When making payment of telephone bills by mail, Kulish suggested subscribers fill in their name, address and telephone number in the space provided at the upper left hand corner of the new envelope. He also urged that bill stubs be included in the envelopes in order that payments may be identified and credited to the correct customer's account.

Fire House Bids To Be Opened

Bids for construction of the Campbell Fire House on Central Avenue will be opened by the Campbell Fire Commission this evening.

E. C. Merrill, chairman of the commission, said numerous inquiries have been received from contractors, and six sets of plans have been issued by the architects' office for bidding purposes.

BAPTIST CHURCH FILM PROGRAM SUNDAY NIGHT

A colored film presentation in sound will be presented in the Baptist Church Sunday evening at 7:30 o'clock by the Mount Hermon Association. The twin feature program includes "Vocation for Life," and "That Ye May Grow." Special music also will be provided. The public is invited.

"Apprehended by Christ Jesus!" has been chosen as the topic for the Sunday morning worship hour at 11 o'clock in the Campbell Baptist Church, 115 Sunnyside Ave., as announced by the pastor, the Rev. Lyle E. Cushman. A growing Bible School meets at 9:45 a.m., with classes for all ages. Two adult Bible classes are provided for the parents who come with their children and stay through the sessions.

Baptist Youth Fellowship meets at 6:30 p.m., with refreshments before the evening service as announced by the president, Bill Baxter.

Wednesday Bible Study and Prayer Hour is at 7:45 p.m.

Fund Drive Opens For Guide Dogs To Aid Blind

Mrs. E. H. Nelson of Campbell has been named chairman in this community for the annual drive to raise funds for Guide Dogs for the Blind. She is assisted by Mrs. E. P. Cook and Mrs. A. L. Glad-ding, Jr.

The organization had stressed need for greater donations this year to provide funds for training dogs to serve blinded U.S. soldiers returning from Korea. The number of men being blinded in the current conflict is far greater than in previous wars, according to the group.

Members of the committee will contact local organizations and individuals in the near future with requests for funds.

Dr. J. W. Ziegler To Attend Meet Of Dental Alumni

Dr. John W. Ziegler of Campbell will attend the annual meeting this Sunday and Monday of the Alumni Association of the College of Dentistry, University of California.

Role of atomic energy in dental science will be among top subjects discussed at the meeting to open Sunday at the St. Francis Hotel, San Francisco. Dentists from all parts of California and other western states will attend the lectures, demonstrations and panel discussions scheduled.

Dr. Robert G. Sproul, UC president, and Dr. Willard Fleming, dean of the college of dentistry, will report on progress of the twenty-two million dollar building now being constructed on the San Francisco campus for the dental and medical colleges.

Leading essayist will be Dr. William W. Wainwright, professor of radiology and head of the department at the college of dentistry, University of Illinois, and former staff member at Los Alamos.

Dental Hygienist graduates of the college will participate in the meeting. Social activities will include a reception honoring past presidents of the association.
